S I R:

In response to the Notice of Abandonment dated January 30, 2004, Applicants petition for withdrawal of the abandonment as erroneous in light of timely filing of a proper response to the Notice to File Corrected Application Papers mailed on October 22, 2001. This Petition is being filed in accordance with 37 C.F.R. §1.181(a).

A Notice to File Corrected Application Papers was mailed on October 22, 2001, in the present application. The Notice set for a shortened statutory period for response, set to expire two months from the mailing date of the Notice.

On November 13, 2001, a Response to Notice to File Corrected Application Papers together with transmittal sheet, a \$130.00, and a self-addressed post card receipt were filed by Certificate of Mailing, copies of which are enclosed.

It is noted that this response was filed during the time period that the USPTO and the U.S. Postal Service instituted procedures for decontaminating incoming mail in view of the events surrounding the anthrax contamination of the U.S. postal facility used by the USPTO in Washington, D.C. In view of the fact that applicants cannot locate a stamped, return receipt postcard, applicants submit that it is highly likely that the Response and postcard were destroyed by the decontamination process. This occurred to many documents submitted by counsel during this time period.

Because applicants timely submitted a proper response to the Notice to File Corrected Application Papers, and because the events and procedures instituted in response to the 2001 anthrax contamination were beyond applicants' control, it is submitted that the abandonment was unavoidable.

Accordingly, it is submitted that the Response was timely filed and that withdrawal of the Notice of Abandonment is requested.

The Commissioner is authorized and requested to charge the amount of \$110.00 to cover the required petition fee to American Express Account No. 378571697401002.. Form 2038 is attached. However, a refund is requested if it is found that abandonment of the above application was, in fact, unavoidable and not the fault of applicants or their attorneys. FURTHER, IT IS BELIEVED THAT THIS PETITION IS COMPLIANT WITH THE PROCEDURES SET FORTH FOR DOCUMENTS NOT RECEIVED BY THE USPTO DURING THIS TIME PERIOD IN THE JANUARY 15, 2002, OFFICIAL GAZETTE (COPY ENCLOSED). Also, the Commissioner is authorized to charge any deficiencies or credit any overpayments to Deposit Account No. 19-3140. A duplicate copy of this sheet is enclosed for that purpose.

Respectfully submitted,
